Kinder Orientation

This Thursday we look forward to welcoming our Kinder students for 2017 for our first Orientation session. It will be held from 9.30-11.00am. Please bring your Kinder child to the pavilion. School leaders will meet you at the gate/office. Parents are invited to stay for the information sessions.

Fun Run/Grandparents Day

On Friday 28 October, K-2 grandparents and great grandparents are invited to celebrate National Grandparents Week with our children. Grandparents and grandfriends are different in each family. We understand that some of our children do not have grandparents or they may live far away. If your child is upset by their grandparents not being able to attend then the parents can attend in their place. Parents and grandparents are invited to lunch and the Fun Run. Grandparents and grandfriends are invited to come along at 11.30am. They will be entertained by our K-2 students and then invited into their classrooms. If the grandparents would like to also visit the children in years 3-6 they will be welcomed into their rooms too. We will be having lunch at 12.30-1.30pm followed by the Fun Run. Notes explaining lunch orders and program for the day went home yesterday. Lunch order forms were handed out today.

Digital Sparks

A big thank to our parents who supported and helped transport Stage 2 and 3 students to the Digital Sparks Expo at the University of Newcastle on 12th Oct. Digital Sparks is a project of the NSW Department of Education: Tamworth Educational Services and The Junction Public School with Microsoft Australia and the University of Newcastle's School of Design, Communication and Information Technology.

They joined students from Hunter to showcase their technology designs and to demonstrate how they work.

Thanks,

Pei Ling Chensee
