Week 4, February 14, 2017

Swansea Public School is an innovative school promoting quality programs to its community. The school offers a wide variety of programs which enhance citizenship, teamwork, equality, social justice and tolerance.

Due to enrolled children's life threatening anaphylactic allergic reactions to all nuts and peanut products, we would like to encourage families not to send these products to school with their children. These include peanut butter, Nutella, sesame seeds, loose nuts, muesli, nut or chocolate bars or any products containing any type of nuts
